## THE RABBI'S MESSAGE

We are now nearing the end of the "Three Weeks", a period of national mourning for the destruction of the *Bais Hamikdash*, the Holy Temple. This period began Sunday, July 24, with the Fast of the 17th of Tamuz and will culminate this coming Saturday night and Sunday, August 13-14, with the fast of the Ninth of Av. The Chafetz Chayim points out that it is most critical for us to be aware of the sins that caused the destruction of the *Bais Hamikdash* and has prolonged the exile. By correcting these faults we can avert future tragedy and thereby bring about the future redemption.

In the Tractate *Yoma* (9b) the *Gemarrab* (Talmud) asks: "Why was the first temple destroyed?" The *Gemarrab* attributes the destruction of the First Temple to the Jewish nation's transgressing the three cardinal sins: idolatry, adultery, and murder. However, the *Gemarrab* asks: "During the era of the Second Temple when Judaism was flourishing, the *Torah* was studied, and people were performing many *mitzvoth*, why was the Second Temple destroyed?" The *Talmud* attributes the destruction of the Second Temple to *sin'at chinam*, unjustified hatred, and its derivatives including *lashon harab*, speaking derogatorily. It equates baseless hatred of our fellow man with the three major sins of idolatry, adultery, and murder. In fact, it was the *lashon harab* of the *meraglim*, the spies, which caused the death of the generation of the *midbar* (the desert) and prevented their entrance into

## THE President's MESSAGE

Greetings to all. I hope that this finds you in good health and enjoying your summer.

I am pleased to announce the recent addition of two new classes.

A Torah study class was recently formed by members of our Russian community for those wanting to learn the Torah. The class, taught in Russian by Rabbi Eli Kogan, meets Thursday evenings, from 7-9 pm. Participants are enthusiastically learning the Book of Genesis. The class is open to men and women. Refreshments are served.

Earlier this year, participants of our Partners in Torah program initiated a Hilchos Brachos class (Laws of Blessings) under the guidance of Rabbi Chezky Toporowitz. This class, which was held Sunday evenings at 8 pm, recessed for the summer. We hope that it will reconvene after Labor Day. Anyone who is interested in participating is asked to call the synagogue.

Our Partners In Torah participants have just celebrated a second Siyum this year — a festive party upon the completion of a volume of the Torah. Rabbi Mendy Meyer and Dr. Robert Berkowitz completed the *mishnaic* volume of *Pe'Ab* which they began studying with their partner Shimon Perlman, ז"ל, of blessed memory, who passed away July 10. The Siyum was dedicated in his memory.

The first Siyum this year was celebrated when Rabbi Gornish, who heads the program, and his partner, Dr. Keith Sherrow, completed the *mishnaic* volume

## **Laws & Reflections Relating to Tisha B'av**

*Tisha B'av*, the 9<sup>th</sup> of Av, is a 25 hour fast in the

Jewish calendar which lasts from sundown to when the stars appear. Sunday night. *Tisha B'av* is a time of sorrow and mourning over the destruction of the Second Temple and

the exile of the Jewish people from the land of Israel. *Tisha B'av* is preceded by a three week period of national mourning beginning on the 17<sup>th</sup> of *Tammuz* when the walls of Jerusalem were breached by the Roman army.

*Tisha B'av* has historically been a day when tragedy has befallen the Jewish people. The *Talmud* lists five tragedies:

- ◆ On this day, the *meraglim* (spies) returned with a negative report after scouting out the land of Israel and it was decreed that the generation that had left Egypt would die out in the desert during the forty years of wandering.
- ◆ The first *Bais Hamikdash* (temple) was destroyed by the Babylonians.
- ◆ The second *Bais Hamikdash* was destroyed by the Romans.
- ◆ The fortress of Betar was destroyed by the Romans and Bar Kochba's revolt was crushed.
- ◆ The city of Jerusalem was razed to the ground and plowed over.

Other tragedies which have occurred on *Tisha B'av* include the beginning of the First Crusade in 1095; the expulsion of Jews from Spain by King Ferdinand in 1492; and the beginning of World War One in 1914.

In addition to the restriction against eating or drinking, we refrain from bathing, anointing, wearing leather shoes and marital relations. It is also customary to sit on low chairs such as mourners do. At night we read from *Megilat Eicha*, the Book of Lamentations, in the synagogue. After the *Megilla* reading at night and

 & Thurs. Oct. 13

Succot thru Shemini Atzeret & Simchat Torah:  
 Mon. eve, Oct. 17 - Wed., October 26

after morning services on *Tisha B'av* day we recite kinot, elegies, regarding the destruction of the Temple and other tragedies that befell our people.

**OTHER HIGHLIGHTS IN THE MONTH OF AV:**

**Shabbat Nachamu** – August 20: The *Shabbat* after *Tisha B'av* is called *Shabbat Nachamu*, named for the *Haftorah* read that *Shabbat*. It is taken from Isaiah, Chapter 40, and begins with the words "*Nachamu, Nachamu Ami*" (Comfort, comfort my people). *Shabbat Nachamu* is the first of seven *Haftarot* of consolation.

**Tu B'Av** (15th of Av) – August 20: The *Talmud* calls *Tu B'Av* one of the most joyous days of the Hebrew calendar. This was the day when the generation of the *midbar* stopped dying. When the Jewish people lived on their land, this day was an occasion for celebration of various events.

*Tachanun* is not said on this day.

## Your Contributions Count!

Your contributions to Poile Zedek are most important. Not only do they support the operation of the shul, they also enable Poile Zedek to continue providing vital services to our community.

On a regular basis, Poile Zedek is host to several different programs:

- Partners in Torah Program (one-on-one weekly Torah learning).
- Hilchos Brachos (Laws of Blessings) class.
- Beginner Hebrew classes.
- The Millionaire Club (Lunch and Torah study).
- Holiday luncheons and dinners.
- Annual Chanukah and Purim parties.
- ESL classes (English as a second language).

These programs are important to our own membership and the community at large including the many Jewish Russian immigrants and Rutgers students in New Brunswick. These activities help many people maintain their ties to Judaism, strengthen their Jewish background, and participate in Jewish services and holiday celebrations.

The congregation also acts as an ombudsman on behalf of our Russian Jewish brethren, helping them with their social, religious, and financial needs.

*By supporting Poile Zedek you are supporting Jewish continuity.*

Highland Park community with New Brunswick, making it easier for people visiting St. Peter's University Hospital, Robert Wood Johnson University Hospital, and the Hyatt on Shabbos.

### Eruv Information

In order to utilize the New Brunswick eruv, you must check weekly on its status (whether it is functioning for that Shabbat) by calling the Eruv hotline: (732) 247-ERUV before Shabbat. If you want to be notified by weekly e-mail of the status, please call the Hillel Foundation: (732) 545-2407 and request to be placed on the Eruv e-mail list.

(Rabbi's message. Continued from page 1)

Eretz Yisrael. Tisha B'Av, the night of the *meraglim's* return, was to become the saddest day of the Jewish calendar.

Thus, we see how important it is to eliminate *sin'at chinam* and to promote all facets of *ahavat chesed*, loving kindness, thereby bringing about the *genula sh'laimah*, the true redemption.

During the era of the great Rabbi Akiva, twenty-four thousand of his students also met a tragic fate due to their lack of *kavod habriyos*, honoring their fellow man. It was Rabbi Akiva who stated that "*Ve'ahavtah lerayacha kamocho (Vayikra 19:18) - zeh klal gadol batorah*" - "To love your fellow Jew as yourself is the most fundamental principle of the Torah."

In this bleak period in Israel's history with the impending threat of civil strife with Jew pitted against Jews, let us join together in brotherhood. Let us pray that the clash will be averted, and in the merit of increasing our love for our fellow Jews, we will help bring about the rebuilding of the *Bais Hamikdash* and the coming of the *Mashiach* speedily in our days.

of *Nashim*, covering marital and family law.

We are always happy to begin a new class so that our walls resound with Torah learning. Please let the Rabbi know if there is a topic which you would like to learn.

We will soon be sending information regarding seating for the High Holidays and our Yom Kippur appeal. Please look for it in the mail.

May you have an easy fast and a happy and healthy summer.
